SPORT DILI E BENFICA PROMOTE SOCIAL ACTIVITY

The Sport Dili e Benfica in conjunction with the GNR Sub-group Bravo in Dili, promoted at its premises on December 26, a social activity for the 57 children of the Dominican Sisters Orphanage located in Bidau Mota-Claran Dili Timor-Leste, in order to give them a happier Christmas. During the event, another 15 children, of the neighbor community near the club premises, joined in at the games and every child received presents (toys) and snacks offered by the Sport Dili e Benfica and the GNR Sub-group Bravo. The activity is part of the Clubs objective to promote activities that goes far beyond just sport and was conducted and received with great enthusiasm by all participants. The Club likes to acknowledge and thanks the GNR Sub-group Bravo for the commitment and friendship displayed at the event and all children that participated at this Christmas event.
