TIMOR LESTE

We All Should Do This!

Compass Charters CEO Robert Crean welcomed guests, invited to inspect the latest addition to the Compass Charters fleet, a luxury Catamaran. It is East Timors only 'live aboard' pleasure vessel and can be chartered for short trips or up to 14 days. It can accommodate up to 10 guests and promises a little bit of luxury and paradise at value for money. Never been on a sailing cruise? Call (+670) 723 0966 or 723 0964 for the experience you deserve.

He's Already Gone But ...

Both good guys, but ... 'Out with the old and in with the new' Richard (L) leaving and Craig (R) arriving
