Melbourne Cup 2018!

The race that stops the nation. In fact I think it stops a few nations. The first Tuesday of November and the crowd of happy punters who gathered at the annual Panorama Restaurant event at Timor Plaza were not disappointed. Good food, drinks a plenty, great company, sweeps and I quote, 'My. Didn't the hat shop do well?' Well not just hats. Fascinators seemed to rule the day and 'Janice' the winner had a ... OK I'll say it, a fascinating fascinator. Janice made it herself which included actually painting the flowers to the co-ordinated dress colour of yellow. It was an amazing day and everyone had a great time. It will be on again next year and it's a fair assumption, it will be every bit as good. See you there!
